

## **Mark Towns & Brazilliance**

Mark Towns & Brazilliance play classic & modern Brazilian music with a jazz twist. The lyrical guitar work of Mark Towns is featured on his arrangements of classic bossa novas and sambas from the wealth of great Brazilian composers, including Antonio Carlos Jobim, Edu Lobo, Luiz Bonfá, Airtó Moreira, and more. Mark, who is also a gifted composer, contributes his own Brazilian jazz tunes to the mix as well. The result is a smooth blend of Brazilian grooves rooted in tradition with a contemporary edge.
